TASTE LANCASHIRE AWARDS FOR TOP MITCHELL'S PUBS

Four of Mitchell's top inns have been awarded prestigious recognition by the Lancashire & Blackpool Tourist Board for providing a consistently high quality eating experience, along with a commitment to local produce.

The tourist board 'Taste Lancashire' scheme was launched in January 2008 and awards establishments throughout Lancashire with a quality marquee for their venue. The award shows their continued commitment to high standards and local produce in order to give visitors to the area the best eating and drinking experiences they can get.

The award-winning Waterwitch and Th'Owd Tithe Barn at Garstang have been awarded the 'Taste Lancashire Quality Assured' marquee. Also The Windmill Tavern at Salwick and The Mill Inn at Conder Green were awarded the highest category by the tourist board of 'Taste Lancashire Highest Quality Assured' recognition. This is awarded to eateries achieving between 60-80% in the Lancashire and Blackpool Tourist Board independent assessment.

Commenting on the awards, Mitchell's Catering Development Manager Harvey Jones said 'These awards are a great acknowledgement of our continued dedication towards local suppliers and our fresh quality produce.'
